PRESCHOOL

Ages 3 - 4

Chiang Mai International School

Over 70 Years of Legacy

Since 1954, CMIS has provided high quality, English-language education to the international community in northern Thailand.

Our caring and diverse community welcomes students of all faiths, cultures, nationalities, and backgrounds, with families representing more than 30 countries.

CMIS was Thailand's first international school outside of Bangkok and has been accredited by WASC since 1987.

***Learn** through curiosity.
Respect different perspectives.
Lead locally and globally.*

Accreditations & Associations

Areas of Learning & Development

Our Creative Curriculum supports children's growth through 10 connected areas of learning:

Social - Emotional Development Building confidence, relationships, and emotional skills	 Physical Developing coordination, movement, and healthy habits	
Language Growing communication, listening, and vocabulary skills		Cognitive Exploring curiosity, thinking, and problem-solving
	Literacy Building early reading, writing, and communication skills	 Mathematics Exploring numbers, patterns, shapes, and measurement
Science & Technology Discovering, questioning, and exploring the world		Social Studies Learning about families, communities, cultures, and the wider world
 The Arts Expressing creativity through art, music, movement, and drama	English Language Acquisition Developing confidence using English through meaningful communication and everyday classroom experiences	

Getting Ready for Pre-K

Every child develops in their own way and at their own pace. These are some skills that can help children feel comfortable and confident as they begin preschool.

Communication

- Beginning to express basic needs and wants in English
- Using simple words or phrases

Learning & Play

- Able to stay with an activity for around 3 minutes
- Enjoying activities such as building, drawing, painting, or pretend play

Growing Independence

- Beginning to feed themselves and drink from a cup
- Able to put on and take off their shoes

Toileting

- Becoming independent with clothing before and after using the toilet
- Able to wipe themselves independently

What to Bring to School

School Bag

Change of Clean Clothes

Refillable Water Bottle

Toys are not permitted at school. If needed, children may bring one stuffed toy for rest time.
